Schedule 1	— Dictionary	55

Dictionary

The Dictionary in Schedule 1:

- (a) defines some of the terms used in this constitution;
- (b) sets out the rules of interpretation which apply to this constitution; and
- (c) clarifies the effect of the Corporations Act on this constitution.

2 Stapling provisions

- (a) If there is an inconsistency between any Stapling Provision and any other provision of this constitution, then the Stapling Provision prevails to the extent of the inconsistency, except where this would result in a breach of the Listing Rules, the ASX Settlement Operating Rules, the Corporations Act or any other law. The Stapling Provision prevails in this way, even if such other provision is expressed to apply notwithstanding any other provision of this constitution.
- (b) Where the Stapling Provisions do not apply, or cease to apply, a provision of this constitution that relates to, or is connected with, Stapling will continue to apply to the extent that the provision does not relate to Stapling.
- (c) Ordinary shares in the Company are intended to be Stapled to Attached Securities in a ratio of one to one. It is the intention of the Company (and as more specifically set out in this constitution) that for as long as the Stapling Provisions apply:
 - (i) Units will be Attached Securities;
 - (ii) the members holding ordinary shares shall be the holders of Attached Securities;
 - (iii) as far as the law permits, an ordinary share and its Attached Securities shall be treated as one security; and
 - (iv) no issue or transfer of an ordinary share is to occur without the corresponding Attached Securities also being issued or transferred (as applicable) at the same time and to the same person.

3 Share capital

3.1 Shares

- (a) Subject to this constitution, the directors have the right to issue shares or grant options over unissued shares to any person and they may do so at such times as they think fit and on the conditions they think fit.
- (b) Shares referred to in rule 3.1(a) may have preferred, deferred or other special rights or special restrictions about dividends, voting, return of capital, participation in the property of the Company on a winding up or otherwise, as the directors think fit.
- (c) This rule 3.1 must not be construed so as to adversely affect any special rights of holders of any shares or class of shares.

- (d) This rule 3.1 is subject to the Listing Rules and the ASX Settlement Operating Rules, whilst the Company is a Listed Company.
- (e) The directors may exercise the power conferred by the Corporations Act to make payments by way of brokerage or commission in respect of subscriptions for shares.
- (f) Payment in accordance with rule 3.1(e) may be made in cash, by the issue and allotment of shares, whether fully paid or partly paid, the issue of debentures, or by combination of any of those methods, provided that no partly paid ordinary shares in the Company may be issued while the Stapling Provisions apply.

3.2 Apportionment of issue price while Stapling applies

- (a) If a share is to be issued as part of a Stapled Security and this constitution contains a provision for the calculation or determination of the issue price for a Stapled Security but not for the share, the directors must determine what part of the issue price of a Stapled Security is to represent the issue price of a share for the purposes of this constitution.
- (b) Unless otherwise agreed between the Company and the other Stapled Entities, the allocation is to be in the ratio that the net assets (adjusted for the net market value of its investments) of the Company and each Stapled Entity at the end of the relevant period immediately prior to the issue of the Stapled Security bears to the amount of the aggregate net assets (adjusted for the net market value of their investments) of the Company and each Stapled Entity at the end of the relevant period immediately prior to the issue of the Stapled Security.

3.3 Corresponding offer and issue of share and Attached Securities

The directors may not offer, allot or issue an ordinary share or any other share of another class designated by the directors as comprising part of a Stapled Security, unless at the same time, one of each of the respective Attached Securities is also offered, allotted or issued (as applicable) to the same person, to form a Stapled Security. This applies regardless of whether the shares are allotted or issued upon the exercise of an option, under a rights issue, plan for the reinvestment of dividends or otherwise.

3.4 Certificates and Holding Statements

- (a) While the Company is not a Listed Company, it must comply with its obligations under the Corporations Act regarding the issue to members of certificates for shares.
- (b) While the Company is a Listed Company:
 - (i) in relation to Uncertificated Holdings, the Company must comply with its obligations under the Listing Rules and the ASX Settlement Operating Rules regarding the provision to members of holding statements;
 - (ii) in relation to Certificated Holdings, the Company must comply with its obligations under the Corporations Act, the Listing Rules and the ASX Settlement Operating Rules regarding the issue to members of certificates for shares; and
 - (iii) subject to the Listing Rules, the Company may elect not to maintain a certificated subregister and that all shares or any class of securities in the Company may only be held as Uncertificated Holdings.

c) directors may order lost, damaged or defaced share certificates be cancelled and, if necessary, replaced by new share certificates. The

 - (i) in a winding up or reduction of capital; and
 - (ii) in the case of a redeemable preference share, on redemption;
- (b) **dividends:** the right to payment of a cumulative preferential dividend in priority to the payment of a dividend on any other class of shares, accruing from day to day and payable on the amount paid on the preference share at the times and at the rate, which may be fixed or variable, specified or determined in the certificate for the preference share or the holding statement referred to in rule 3.4(b)(i), if the preference share is held as an Uncertificated Holding;

 - (i) receive notice of a general meeting;
 - (ii) attend the general meeting; and
 - (iii) receive notices, reports and audited accounts;
- (f) **voting:** the right to vote in the following circumstances and in no other circumstances:
 - (i) on a proposal to wind up the Company or reduce the share capital of the Company or on a proposal for the Disposal of the whole of the Company's property, business and undertaking;
 - (ii) while a dividend or part of a dividend in respect of the preference share is unpaid;

 - (A) the announcement of any dividend or distribution or other entitlement in respect of those securities;
 - (B) a new issue of those securities;
 - (C) a bonus or rights issue of those securities; and
 - (D) a return or reorganisation of capital in respect of those securities; and

- (f) when the Corporations Act requires the number of members to be counted, they are to be counted as one member; and
- (g) if the share is held as a Certificated Holding, the Company is not bound to issue more than one certificate for the share and delivery of a certificate to any one of those persons is sufficient delivery to all of them.

3.7 Equitable interests in shares

- (a) The Company may treat the registered holder of a share as the absolute owner of that share.
- (b) The Company is not bound by or compelled in any way to recognise an equitable, contingent, future, partial or other right or interest in a share or unit of a share, even if the Company has notice of that right or interest.

3.8 Corresponding Option over Attached Securities

While Stapling applies, the Company may not offer or issue an option to subscribe for or acquire shares unless, at the same time and on the same terms, an option over each of the Attached Securities is also offered or issued (as applicable) to the same person.

3.9 Restricted securities

- (a) The holder of Restricted Securities must not Dispose of those Restricted Securities during the escrow period relating to those Restricted Securities except as permitted by the Listing Rules or the Exchange.
- (b) The Company must refuse to acknowledge a Disposal (including registering a transfer) of Restricted Securities during the escrow period relating to those Restricted Securities except as permitted by the Listing Rules or the Exchange.
- (c) A member holding Restricted Securities ceases to be entitled to any dividend, distribution or any voting rights in respect of those Restricted Securities during the

period of a breach of the Listing Rules relating to the Restricted Securities, or a breach of a restriction agreement entered into by the Company under the Listing Rules relating to the escrow of the Restricted Securities.

3.10 Non-marketable parcels

- (a) The Company may sell the shares of a holder who has less than a Marketable Parcel of those shares on the following conditions:
 - (i) the Company may do so only once in any 12 month period;
 - (ii) the Company must notify the holder in writing of its intention in the manner authorised by rule 15.1 (**Notices by the Company to members**);
 - (iii) the holder must be given at least six weeks from the date the notice is sent in which to tell the Company that the holder wishes to retain the holding;
 - (iv) if the holder tells the Company under rule 3.10(a)(iii) that the holder wishes to retain the holding, the Company is not permitted to sell it;
 - (v) the Company's power to sell lapses following the announcement of a Takeover. The procedure may be started again after the close of the offers made under the Takeover;
 - (vi) the Company must ensure that it or the purchaser pays the costs of the sale;
 - (vii) in the case of a Certificated Holding, the Company must not send the proceeds of the sale to the holder until the Company has received any certificate relating to the shares (or it is satisfied that the certificate has been lost or destroyed); and
 - (viii) while Stapling applies, there is a simultaneous sale of the same number of Attached Securities.
- (b) Subject to rule 3.10(a), the Listing Rules and the ASX Settlement Operating Rules, the Company may sell the shares under this rule 3.10 on the terms and in the manner the directors think appropriate.

- (f) The remedy of any person aggrieved by a sale of shares under this rule 3.10 is limited to damages only and is against the Company exclusively.
- (g) The Company may deduct from the proceeds of a sale of shares under this rule 3.10, all sums of money presently payable by the former holder to the Company for calls due and payable and apply the amount deducted in or towards satisfaction of the money owing.
- (h) A statement in writing signed by a director or secretary of the Company to the effect that a share in the Company has been duly sold under this rule 3.10 on a date stated in the statement, is conclusive evidence of the facts stated in the statement as against all persons claiming to be entitled to the share and of the right of the Company to sell the share.

3.11 Variation of Class Rights

- (a) The rights attached to any class of shares may, unless their terms of issue state otherwise, be varied:
 - (i) with the written consent of the holders of 75% of the shares of the class; or
 - (ii) by a special resolution passed at a separate meeting of the holders of shares of the class.
- (b) The provisions of this constitution relating to general meetings apply, with necessary changes, to separate class meetings as if they were general meetings except that:
 - (i) a quorum is two persons holding or representing by proxy, attorney or Representative, at least 25% of the issued shares of the class, or if there is one holder of shares in a class, that person; and
 - (ii) any holder of shares in the class present, in person or by proxy, attorney or Representative, may demand a poll.
- (c) The rights conferred on the holders of any class of shares are to be taken as not having been varied by the creation or issue of further shares ranking equally with them.

3.12 Capital Reallocation

- (a) If, at any time, a Stapled Entity makes a capital payment to the Company as a capital reallocation amount:
 - (i) each member is taken to have directed the Company to accept that capital reallocation amount; and
 - (ii) the Company must apply that amount as an additional capital payment in respect of each share which is stapled to a security of the Stapled Entity making the capital payment equally in respect of each share.
- (b) Subject to rule 11.8, the Company may at any time make a capital payment to a Stapled Entity as a capital reallocation amount on behalf of each member provided that:
 - (i) the constitution of the Stapled Entity contains provisions to the effect of those in rule 3.12(a); and
 - (ii) the Company is satisfied that the capital payment will be applied as an additional capital payment in respect of each Stapled Security to which a share is stapled equally.

4 Calls, forfeiture, indemnities, lien and surrender

 - (vi) all matters required to be included in the notice by the Listing Rules.
- (e) A member on whom a call is made in accordance with this constitution must pay to the Company the amount called on that member's shares at the time or times and place specified.
- (f) A call is to be taken as having been made when the resolution of the directors authorising the call was passed.
- (g) The directors may revoke a call or postpone a call or extend the time for payment.
- (h) A call is not invalidated by the non-receipt of a notice of a call or the accidental omission to give notice of a call to any member.
- (i) If a sum called on a share is not paid in full by the day appointed for payment, the person from whom the sum is due must pay:
- (i) interest on the unpaid amount from the date appointed for payment of the sum to the date of actual payment, at a rate determined under rule 4.9 (**Interest payable by member**); and

 - (ii) the resolution making the call is recorded in the minute book; and
 - (iii) notice of the call was given to the defendant in accordance with this constitution,

is conclusive evidence of the debt and it is not necessary to prove the appointment of the directors who made the call or any other matter.

| b) In rule 4.2(a), "defendant" includes a person against whom a set-off or counterclaim is alleged by the Company and "proceedings for the recovery of a call" is to be construed accordingly.

- (c) The directors may repay to a member all or any of the amount accepted under rule 4.3(a).

4.4 Forfeiture of partly paid shares

- (a) If a member fails to pay the whole of a call or instalment of a call by the time appointed for payment of the call or instalment, the directors may serve a notice on that member requiring payment of the unpaid amount, together with any interest that has accrued and all costs, expenses or damages that may have been incurred by the Company by reason of the non-payment or late payment of the call or instalment.
- (b) A notice under rule 4.4(a) must name a place and a day for payment. The day must be at least 14 days after the date of service of the notice.
- (c) The notice must state that the shares on which the call was made are liable to be forfeited if the whole amount payable is not paid by the time and at the place specified in the notice.
- (d) The notice must comply with the Listing Rules and the ASX Settlement Operating Rules, as applicable.
- (e) If a member does not comply with a notice under rule 4.4(a) the shares to which the notice relates may be forfeited by a resolution of the directors. Forfeiture includes all dividends declared on the forfeited shares and not actually paid before the forfeiture.
- (f) Where a share has been forfeited:
 - (i) notice of the resolution must be given to the member in whose name the share was registered immediately before the forfeiture; and
 - (ii) an entry of the forfeiture, with the date, must be made in the register of members.
- (g) Failure to give the notice or to make the entry required under rule 4.4(f) does not invalidate the forfeiture.
- (h) Where a share has been forfeited and the Stapling Provisions apply, the member must simultaneously forfeit any Attached Security.
- (i) The directors may, in accordance with the Listing Rules and the ASX Settlement Operating Rules:

- (i) sell or otherwise Dispose of a share which has been forfeited on the terms and in the manner the directors think appropriate;
 - (ii) at any time before a sale or Disposal, cancel the forfeiture of a share on the terms the directors think appropriate; and

- (i) all calls, instalments, interest, costs, expenses and damages owing in respect of the shares at the time of the forfeiture; and
 - (ii) interest on so much of the amount payable under this rule 4.4(j) as is unpaid from time to time, from the date of the forfeiture to the date of actual payment, at a rate determined under rule 4.9 (**Interest payable by member**).
- (k) The forfeiture of a share extinguishes all interest in, and all claims and demands against the Company in respect of, the forfeited share and all other rights incident to the share, subject to this constitution and the Listing Rules.
- (l) Subject to the Listing Rules, the directors may:
- (i) exempt a share from all or any part of this rule 4.4;

- (c) share (regardless of the class of share) issued prior to that date may be transferred otherwise than as part of a Stapled Security for the purposes of that share becoming Stapled to Attached Securities.

5.2 Issues

While Stapling applies, the number of issued shares must equal the number of Attached Securities in each of the Stapled Entities on issue at that time.

5.3 Director obligations

- (a) The directors and the Company must not do, nor refrain from doing, anything that would directly or indirectly result in a share no longer comprising a Stapled Security except in accordance with rule 5.5. In particular, the directors and the Company must not reorganise (within the meaning given in Listing Rules 7.18 to 7.26 (inclusive) including any consolidation, division, subdivision, cancellation, buy back of any share capital) any shares unless at the same time the Attached Securities that are Stapled to those shares are also reorganised so that the person holding shares holds an equal number of each Attached Security.
- (b) While Stapling applies, the directors and the Company must use reasonable endeavours to ensure that shares are dealt with in a manner consistent with the constitutions of the Stapled Entities.
- (c) Subject to the Corporations Act, Listing Rules and any agreement with the issuer of the Attached Securities, the directors and the Company may:

Notwithstanding any other provision of this constitution and that shares are quoted on the Exchange as Stapled Securities, the Company will at all times remain as a separate entity and be separately admitted to the Exchange, and shares and Attached Securities will at all times retain their legal status as separate securities.
